the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.2 million (Office for National Statistics 2000).

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out a vision for the future of older people's services. The strategy is based on the following principles: older people should be able to live independently in their own homes; older people should be able to participate in the community; and older people should be able to access the services they need.

## Superintendent

Superintendent of Valparaisa City Schools, G. Warren Phillips is still serving in his tremendously important office as efficiently as ever.

His associations and duties have been made somewhat easier, however, due to the completion of the spacious offices built for his work. Most of the students have heard him speak on thought-provoking subjects at convocations, and those who know him personally recognize him as distinguished and capable.

Mr. Phillips received his A.B. from De Pauw University and his M.S. from Indiana University.

## Principal

Mr. King Telle, principal of Valparaisa High School, deeply respected by the students for his fairness and sincere interest in his dealings with the students, is also admired for his friendliness to all.

Strict in his sense of discipline, Mr. Telle always shows a loyal interest in scholastic and social activities. Although he has an innumerable list of jobs and responsibilities, he takes a genuine interest in the individual welfare of his students.

He received his A.B. from Hanover and his M.S. from Indiana University.

## Secretaries

### BETTY PRICE

Mrs. Betty Price, as secretary to Mr. Telle, has to listen to and soothe each and every student who comes to her with a separate whim. Her ability to make decisions and to care for the many duties of the office has made her popular with officials and students alike.

### GRACE RICKARD

An immense amount of responsibility is placed upon the shoulders of one woman, Grace Rickard, Mr. Phillips' secretary. In spite of the burdens of her work, she is always smiling when approached. Her efficiency and pleasantness have made her one of the most well-liked women in the city school system.

### NANCY PECK

A member of the class of '56, Nancy Peck completed her senior year in the office of the superintendent as receptionist for Mr. Phillips.

Her competent work and cheerful disposition gave the administrator's office a vibrant sparkle.

## BOARD OF EDUCATION

The Valparaiso School City system is backed up by three important men, O.R. Burns, president; Reg Hildreth, secretary; and Jess Claudon, treasurer. This policy-making body, although not as closely associated with the students as some of the other administrators, is really more directly connected with our welfare.

## Varsity Football

Before the 1955 football season opened, the Valpo Vikings were accepted into the N.I.H.S.C. conference, rated toughest in the state. Coach Miller began the season with a host of lettermen, but were rated by the coaches of the conference to finish in the cellar. The team showed spirit that had been lacking in many of the previous teams and were praised by many of the sports fans as the "hardest hitting team" that Valpo ever had. Although the schedule shows a less than mediocre season, a look at the record books will show a different picture: the Vikings outscored, outgained, and had more firstdown's than their opponents. In the Homecoming game, the Vikings fought Whiting, 1954 State Champion, to a draw, and in the last home game of the season, battled Lew Wallace, ranked first in Gary, to a 13-13 tie.

Proof of the team's strength was that five members were nominated for the all-conference team, four of which received recognition. Three players, tackle Bill Hinkle, halfback Fred Doelling, and guard Bob Collings, received honorable mention for All-State.

## VARSITY BASKETBALL

Coaches: Mr. White, Mr. Sweet, Mr. Rhoda, Mr. Doane

The 1955-56 basketball season will inevitably be remembered as one of the most scrambled season's a team has ever had. In starting the Vikings dropped the first three games by a total of 5 points. As the season continued the team proved to be an up and down ball club finishing with eight wins and thirteen losses. Some of the highlights of the season were! Fred Doelling's setting the record of 36 points for one game and later scoring 356 points for a record individual total for one year. He also broke the career record with a total of 639 points for three years of varsity competition. "Moose" Keller dropped through 31 points for a Boucher Gym record, and the team trounced Hobart 81-56 for a new team record. As the season ended the Vikings had secured a well-requraded sixth position in the conference.

The Vikes who represent V. H. S. on the cinders did another good job in 1955. Hampered by the graduation of Ron Lines, Jim Brown, Delos Fry, Gene Haman, and Ray Kuhrts, Coach Ken Pifer turned out a good team. Having a little better than a mediocre year, the Green & White won three dual meets and one triangular affair. They lost two dual meets and placed second in another triangular meet.

Tom MacDonald, Duane Hamacher, and Don Kyes qualified for the regionals. Only Tom MacDonald, who survived the regionals for V. H. S., went on to place sixth in the state meet, putting the shot 50'7", which broke Delos Fry's record for the previous year of 49'2 3/4.

### SWIMMING TEAM

Finishing their second year as a team representing Valparaiso High School, the V.H.S. swimming team completed a good year. Although their record showed a mediocre year by having 6 wins, 6 losses, and placing 10th in the state, it must be taken into consideration that the team was competing with some of the toughest teams in the state, thus showing up well for only being organized for two years.

Although four seniors are graduating, Coach Trost thinks that next year's team will be just as good with a promise of becoming better, being built on lower classmen. The swimming team has a great potential and is no doubt a permature fixture in the V.H.S.

## Golf

### GOLF

Representing V.H.S. on the links this year is one of the best golf teams in northern Indiana. Last year in compiling a 7-3 record, the Viking squad won the championship of the western division of the N.I.H.S.C. With returning lettermen Lew Keller, Jack Allen, Tom Telle, John Harding, Tom Keene, Paul Gillespie, and Gordon Thorne, the Green and White's 1956 season should be a success.

## G. A. A.

The purpose of the Girl's Athletic Association is to advance and direct athletics for girls in Valparaiso High School, thereby improving the health of each girl, developing her ability to co-operate with others, increasing her skill and knowledge in each sport, and offering a suitable recreation. Among the activities sponsored by G.A.A. this year were: Coke Tail Party Initiation, Swimming Party, Christmas Party, Sadie Hawkins Dance, a skating party, and a banquet. Awards given at the end of the year, are numerals for 500 points and a letter for 1,000 Points. The best all around senior girl has her name placed on the trophy cup that remains in the trophy case.

## V - Club

Our athletes are united in a body known as the V-Club. Members of the club are letter winners in any sport. The promotion of school spirit and enthusiasm is their main objective. The boys sponsored a dance and are often seen ushering at extra-curricular activities. This year, the boys assisted the pep club at the basketball games, supplying volume with their voices.

## Y-Teens

The Y-Teens, known for their daily service in the lunch program, is one of the largest V.H.S. girls' clubs. With a Christian background as its prime influence, these girls give service and aid to needy groups. For instance, they mingled fun into one of their projects, the Can-Can dance, where cans of food were the price of admission. The organization had a semi-formal induction in the fall, when the new members were formally admitted during a solemn candlelight ceremony.

"Since the study of Latin has kept a high position in the curricula of this high school, we, the members of the Latin Club, in order to increase the value and knowledge of Latin and to strengthen its influence on modern life, do adopt this constitution."  
 ----Preamble.

Influenced after attending the Indiana Junior Classical League Convention at Bloomington last spring, the Latin students of the second year undertook this venture of forming a Latin Club. The main purpose of the Club is to increase knowledge of Latin and Roman civilization as stated in the Preamble. The club meets every other Friday and at that time business is transacted and a program is presented.

## Band

After much work and practicing, the marching band was able to present a variety of shows during the grid season. The atmosphere was different, though, due to the loss of their former director, Harold Rogers. Several members of the organization formed a backing to the V.H.S. boosters during the basketball season as a pep band. Then preparation for contest time was begun. The main project of the band officers was to establish a uniform jacket which replaced the former outdated one.

OFFICERS OF THE '55-'56 BAND: R. Landgrebe, Senior Publicity; D. Stolpe, Recording Secretary; A. Graebner, President; D. Cotterman, Secretary; Barbara Mohike, Treasurer; Auggie Carlson, Senior Property; Karen Angle, Vice-President; Roberta Meyerowitz, Senior Librarian.

## Valpost

In a cycle of a two weeks period, Valpost members write stories, which are revised, typed, proofed, and placed for printing. The staff learned through experience of the worry and anxiety that comes in getting a paper to press. Their work was rewarded when the paper was distributed to the students. A feature during the holiday season was the Christmas issue, which highlighted the Christmas formal with an entire insert page of pictures and columns.

George Kelso, Boys' Sports; Karen Angle, Editor; Mrs. Franzman, Sponsor; and Reporters.

## Valenian

The most productive and enthusiastic endeavor of the school year is preparing the Valenian. Beginning early in the year, the staff collects material for book, completing one quarter of it at a time. In compiling the yearbook, staff members have presented a lasting token of the many activities of just one year at Valparaiso High School. Four juniors were selected to give assistance and gain experiences which will be of use next year.

VALENIAN JUNIOR ASSISTANTS, BACK ROW: Ron Kahney, Lloyd Kittredge, Jim McGill. FRONT ROW: Kathy Vietzke, Nancy Howard, Jolene Brown.
